4orkast | Independent Contractor / Concept Artist 1/2020 - Present
Building up my personal art studio. Working various art positions. Primarily Concept Artwork

Parallel Plaid | Concept Artist 2017 - 2020
Primary concept artist at the company. Stylized conceptual backgrounds, props and characters. Pitched visual styles. Gave critiques & paintovers for teammates to provide helpful insights & feedback. Handling of texture maps with baking hand painted styles. Modeling 3D props. Pitched and created marketing imagery for game releases. Created thumbnails, storyboards, animatics & video editing for our in house marketing needs. Game testing & feedback. Constantly aiming to solve visual problems, always trying to make the art as best it can be.

GApp Lab | Concept - 2D - 3D UI / UX 2015 - 2017
Concept artist and art lead for 4 MVP projects. Worked with paper prototyping, texturing, 3D modeling and UI/UX. Art lead for 3 artists on an Emergency System app used by the U of U security team which actually affected the entire U of U campus emergency response time and abilities to oversee multiple buildings. Headed a small team of 3 to build an informative game about mice and the environment they directly affect here in Utah. The game is still played at the Natural History Museum of Utah today.
